SUMMARY

I'm Amanda Calvina Izumi (Amanda) student of Satya Wacana Christian University, Faculty of Information Technology, department of Informatics, with the field of interest of the network and data. I am interested and have interest in a career in the field of data science, data engineering, network security and network technology. I am very happy to work in a team, multitasking, like to learn new things and able to work well together.

EXPERIENCE

08/2021 - Present

Independent Study Data Science
Digital Skola
- Learn about data science

07/2021 - 09/2021

CCNA Network Engineer Students
Digital Talent Scholarship
- Learn CCNA introduction to networks
- Learn CCNA Switching, Routing, and Wireless Essentials
- Learn CCNA Enterprise Networking, Security, and Automation

08/2019 - 12/2019

Assistant Lecturer In Mathematics Discrete
Satya Wacana Christian University (Faculty Of Information Technology)
- Help Lecturers in delivering the material
- Help give exercises to the students
- To help and guide students in mastering discrete mathematics

08/2019 - 12/2019

Student mentor
Mentoring 2019 Satya Wacana Christian University (Faculty Of Information Technology)
- Help and guide new students to find places on the campus of the Satya Wacana Christian University (SWCU)
- Provides important information about the campus, students and Faculty of Information Technology
- To know more closely with the new student

EDUCATION

2022

Information Technology
Satya Wacana Christian University
Bachelor's Degree

Courses completed : Mathematics, Introduction to Informatics, Statistics and Probability, Data Security, Database System (Oracle), Computing, Computer Networks, Algorithms and Data Structures, Artificial Intelligence, Network Technology, Network Security, Software Engineering, CCNA and Web Programming

2018

Sciences
SMA 2 Salatiga
Senior High School

CERTIFICATES

08/2021 - Present	**CCNA: Enterprise Networking, Security, and Automation**
08/2021 - Present	**CCNA: Introduction to Networks**
08/2021 - Present	**Linkedin LEARNING: Learning Data Analytics**
08/2021 - Present	**DQLab: Python Fundamental for Data Science**
08/2021 - Present	**DQLab: Introduction to Data Science with Python**
08/2021 - Present	**DQLab: Introduction to Data Science with R**
08/2021 - Present	**DQLab: Basic Feature Discovering for Machine Learning**
10/2020 - Present	**DQLab: Data Wraling Phyton**
10/2020 - Present	**DQLab: R Fundamental for Data Science**
09/2020 - 09/2023	**Dicoding: Memulai Pemrograman Dengan Swift**

SKILLS

CISCO	CSS
ORACLE Database	Bootstrap
R Language	Kali Linux
Python	Ubuntu Linux
C	GNS 3
Java	Microsoft Office
Javascript	SQL

LANGUAGES

Indonesia	Native	English	Intermediate
Java	Native
